
Declaration of Conformity

Model: Nicolet™ iS™5 LS

Description: Laboratory FT-IR spectrometer

This product complies with the following European Union Directives:

Electromagnetic Compatibility 2004/108/EC

Low Voltage 2006/95/EC

The following standards were used to verify compliance with the Directives:

EN 61326-1:2006

EN 61010-1:2010 (Third edition)

EN 60825-1:2007 (Second edition)

Approved by:  Date: 25 Nov 2013
