For technical support in the U.S. and Canada, call 1-800-532-4752, option 2, or email <u>us.techsupport.analyze@thermofisher.com</u>. Outside the U.S. and Canada, call the nearest Thermo Fisher Scientific office. Please provide your instrument serial number when contacting technical support.

- Click OK
- Save the configuration using "Save Configuration As" from the file menu. If you do not save the configuration, the icon will not be there the next time OMNIC is opened.
- Click on the icon to run the macro when needed.
